

UPCOMING WEBINARS: GLOBAL WATER POLICY INSIGHTS

GAIN INSIGHTS FROM NATIONAL WATER MINISTERS, WATER AGENCY HEADS, AND OTHER LEADERS RESPONSIBLE FOR NATIONAL WATER ISSUES IN 126 COUNTRIES.

In these webinars, Water Policy Group presents findings from its groundbreaking project, 'Listening to National Water Leaders,' conducted over 2021-23.

The results of this project are featured in the 2021 and 2023 Global Water Policy Reports, available at waterpolicygroup.com, and will be discussed in **three global webinars** over a two week period.

Register at no cost for the webinar that best suits your schedule. After registering, you will receive a confirmation email containing information about joining the webinar.
